

Falcon Wireless

A Division of A2Z Communications Inc.
SAM approved Federal supplier - Cage No.1CK23

I couldn't help but notice.....

your receipt of a FEMA Assistance to Firefighters award for equipment! If that "equipment" includes communications equipment, we would like for you to consider us as a prospective supplier.

We offer all types of communications solutions including a new low cost vehicle intercom/headset system and other special products that are built right here in Birmingham, Alabama - See:

falcondirect.com/SpecialProducts

And we offer a full line of FEMA approved P25 products including portables, mobiles, repeaters, and systems - See:

Info4u.us/RelmContract.pdf

And, we've got the great new Minitor VI pager as well as the proven and reliable WatchDog pager, AND a brand new digital paging system that is NFPA approved. For the first time ever, YOU can be the one who provides the paging system that serves not only your needs but those of ALL public safety first responders in your area. For more information, see:
