

# New DMR Portable 2-Way Radios with Display

Model	PD362	PD562	PD662
-------	-------	-------	-------

## Primary Use

This little radio weighs less than a Minitor VI pager - Costs less too! Talks and texts with no stick in your ribs antenna!

DMR performance at analog radio pricing. Compact, light, and affordable. A great radio for industrial and public safety use.

America's best value in a DMR personal radio with large screen display and all the most popular features like GPS, data capable and highest IP rating.
