A Super-City is a place where government, business, and the public work together to reduce insurance rates and improve the chances of obtaining federal grant funds for needed projects.

A Super-City is a place where new people want to live. More people means more business. More business means added tax revenues. Added tax revenues means lower taxes and better municipal services for the entire community.

A Super-City is ready for all emergencies with the infrastructure available to effectively coordinate first responders, both professional and volunteer.

A Super-City is a community working together with the common goal of making their city a better place to live, work, and play. THAT'S what a Super-City is! Your city can be one too!

Birmingham is in the planning stages. Evergreen, Gadsden, Greenville, Oxford, Piedmont, and Weaver have already taken the first steps in Alabama, as well as the City of Seminary, Mississippi. Rochester and Monroe County, NY are well along the way to meeting full Super-City Status. More info is available on the web at [info4u.us/supercity](http://info4u.us/supercity).

Want to be a Super-City? You can start at the level of your choosing or plan for a total community system possibly funded by federal grant assistance. Call us at 205.854.2611. Do it TODAY!
